

Read the guidelines carefully and keep the required documents for quick process.

1. Aadhaar linked mobile
2. PAN Card
3. Name printed cheque leaf
4. Signature on a white paper
5. Scan copy of the latest Passport Size Photograph
6. Valid email accessibility

Step 1: Mobile and Email Verification

Seamless trading
Buy & Sell stocks swiftly within seconds.

Let's get started

+91 7561.....

Enter OTP Resend in 30 seconds

VERIFY

or

To continue with the application

Sign in

Existing customer? Modify or re-activate your account here.

ENTER THE OTP RECEIVED ON YOUR NUMBER

To verify the customer's mobile number and email ID, follow these steps:

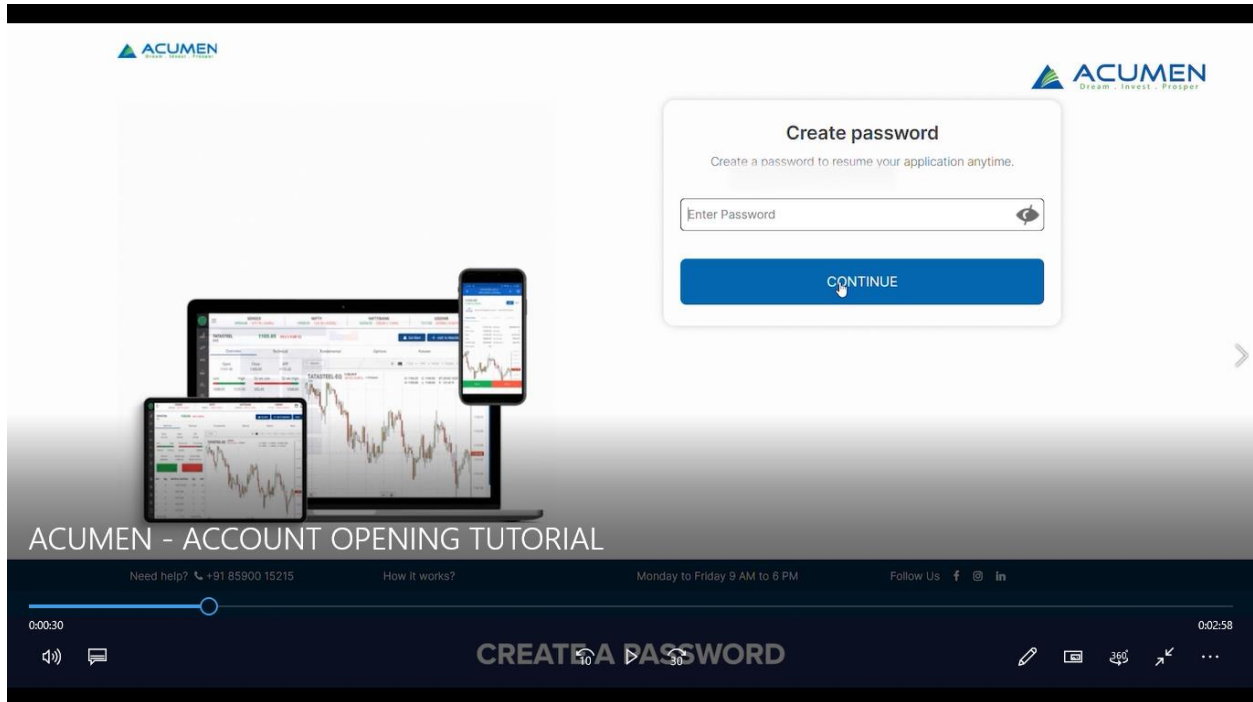

1. Mobile Verification:
 1. Enter the customer's mobile number in the designated field.
 2. Click CONTINUE.
 3. Enter the One-Time Password (OTP) received on the mobile number.
 4. Click VERIFY.

2. Email Verification:

The screenshot displays the ACUMEN app interface. On the left, there is a promotional banner for 'Quality Research' with the text 'Stay up to date with the markets using our research service' and an illustration of three people working at computers. On the right, a 'Verify your email' dialog box is shown. It contains a 'Verify with google' button, a text input field with the value 'preth', a blue 'CONTINUE' button, and a 'Sign in' button. The bottom of the screen features a dark navigation bar with the text 'ENTER YOUR EMAIL ADDRESS' and various system icons.

1. Enter the customer's email ID in the designated field.
2. Click CONTINUE.
3. Enter the OTP received on the email ID.
4. Click VERIFY.

Step 2: Create Password

The screenshot displays a video player interface for an ACUMEN account opening tutorial. The video content shows a 'Create password' form with the following elements:

- ACUMEN** logo in the top left corner.
- ACUMEN** logo with the tagline 'Dream · Invest · Prosper' in the top right corner.
- Create password** heading.
- Subtext: 'Create a password to resume your application anytime.'
- An input field labeled 'Enter Password' with a toggle eye icon.
- A blue button labeled 'CONTINUE'.

The video player includes a progress bar at the bottom with a play button and a volume icon. The title 'ACUMEN - ACCOUNT OPENING TUTORIAL' is visible above the player. The video title 'CREATE A PASSWORD' is overlaid on the bottom center of the player. The video duration is 0:02:58, and the current time is 0:00:30. A navigation arrow is visible on the right side of the video frame.

1. Create a strong and unique password.
2. Enter the password in the designated field.
3. Click CONTINUE to proceed to the next step

Step 3: PAN Verification

You can verify your PAN details using two methods: Digi Locker or Manual Entry.

ACUMEN
Dream. Invest. Prosper.

Let's start by fetching your details from **DigiLocker**

To make your onboarding easier, DigiLocker can verify your documents needed for account opening. You don't need a DigiLocker account for this.

Your aadhaar must be linked with a mobile number to receive & confirm OTP. If not linked, please enter details manually.

🔒 Your data is 100% safe & secure.

[Connect to DigiLocker](#) [Enter details manually](#)

[Not able to connect? Click here](#)

Not sure if your aadhaar & mobile are linked? [Click here](#)

Note: Please enter your details correctly. You will not be able to change it later.

Mandatory details for file completion SCORES: Name, PAN, Address, Mobile Number, E-mail ID, Beneficial Owner's Completion Date, Category of address. Please ensure you

0:00:41 0:02:47

VERIFY YOUR PAN USING DIGILOCKER OR MANUALLY

A. Digi Locker Mode

1. Click on "Connect to Digi Locker".
2. Follow the prompts to authenticate and authorize the fetching of your details.

B. Manual Entry

1. Click on "Enter details manually".
2. Enter the last four digits of the customer's Aadhaar Card Number.
3. Click "CONTINUE".
4. Enter the customer's PAN card number and Date of Birth as per PAN card.
5. Click "VERIFY".
6. Confirm the customer's name is correct, then click "I CONFIRM I'M [Customer's Name]".

Step 4: Personal Details

The screenshot displays a video player interface for an ACUMEN account opening tutorial. The video title is "ACUMEN - ACCOUNT OPENING TUTORIAL". The current time is 0:01:17, and the total duration is 0:02:11. The video content shows a form titled "Tell us a bit about yourself" with the following fields and options:

- First Name:** Narot
- Middle Name:** Enter Middle Name
- Last Name:** Shr
- Education Qualification:** Graduate
- Occupation Type:** Private Sector
- Annual Income Range:** 5 lakhs-10 lakhs
- Gender:** Male Female Other
- Marital Status:** Single Married Others
- Mother's name:** Enter mother's name
- Father's name (as per PAN):** Narot
- Place of birth:** Enter place of birth

A "NEXT" button is visible at the bottom right of the form area. The video player controls at the bottom include a play button, a progress bar, and a "FILL YOUR DETAILS ACCORDINGLY AND CLICK NEXT" instruction.

1. Enter First Name, Middle Name (if available), and Last Name.
2. Provide Father's Name, Educational Qualification, Occupation Type, Annual Income Range, Gender, Marital Status, Mother's Name, and Place of Birth.
3. Click "NEXT".

Step 5: Address

ACUMEN

0:03:04 | Disclaimer: Acumen Capital Market India Ltd does not guarantee any fixed returns. Investment in the securities market is subject to market risks, read all the related documents carefully before investing. | 0:00:24

1. Enable location, camera, and microphone access.
2. Capture video or take a selfie.
3. Ensure proper lighting and clarity.
4. Click "SUBMIT" and then "NEXT".

Step 13: Upload Proofs

The screenshot displays the ACUMEN 'Upload Proofs' interface. On the left, a vertical list of steps is shown, with 'Upload Proof' selected. The main content area contains four designated slots for uploading documents: 'Aadhaar Back', 'Aadhaar Front', 'PAN', and 'Signature'. Each slot is represented by a dashed rectangular box. Below these slots is a green 'Note' box. The ACUMEN logo is visible in the top right corner of the interface. The Windows taskbar at the bottom shows the system time as 4:26 PM on 02/01/2025.

1. Upload clear and valid proofs in designated slots.
2. Ensure proofs are upright, readable, and without blank spaces.
3. Avoid cropped or screenshot images.
4. Click "NEXT".

Step 14: eSign the Application

The screenshot shows the ACUMEN application interface for Step 14: eSign the Application. The page title is "Finally, It's time to sign your documents". On the left, a sidebar lists the application steps: Phone Number, Email ID, PAN Verification, Personal Details, Bank Details, Segment Selection, In Person Verification, Upload Proof, and E-sign (which is currently selected). The main content area is split into two options based on Aadhaar and mobile number linkage:

- Aadhaar & Mobile linked:** "As your aadhaar and mobile number are linked, you can digitally sign the application form by validating your aadhaar via OTP. You will receive an OTP on your aadhaar linked mobile number." Below this text is a button labeled "I will e-sign".
- Aadhaar & Mobile not linked:** "As your aadhaar and mobile number are not linked, you will have to download, sign and courier the application form to our head office." Below this text is a button labeled "I will courier the form".

At the bottom of the page, there is a dark blue footer containing contact information, a disclaimer, and a large call-to-action button that says "CLICK 'I WILL E-SIGN'". The system tray at the very bottom shows the Windows taskbar with various application icons and the system clock indicating 4:27 PM on 02/01/2025.

1. for online submission, click "I will E-sign" (requires linked Aadhaar and mobile).
2. Enter Aadhaar number and submit OTP.
3. Online application process complete.
4. For physical application (Aadhaar and mobile not linked), click "I will courier the form", download, sign, and courier the application form.
